

AKSHYAT CHAPAGAIN

95 Charolais Blvd, Brampton, ON | chapagainakshyat24@gmail.com | <https://chapagain24.github.io/>

SUMMARY

An ambitious undergraduate student majoring in Computer Science, fueled by a profound love for coding and a relentless desire to make a significant impact in the tech world!

EDUCATION

Algoma University, Ontario | May 2022 – Present

- Bachelor Of Computer Science

Kathmandu Model College, Nepal | Year: 2018 -2020

- Science Faculty (Physics)

SKILLS

Programming languages:	JavaScript, Java, HTML, CSS, SQL, PHP, C, MASAM and RISCv, Python
Technologies:	React, Express, MongoDB, Nodejs, Git, Threejs
Operating System:	Linux, MacOS, Windows, Unix
Software Development:	Solid understanding of Software Development Lifecycle, computer organization, system design, UX and UI design.
Soft Skills:	Excellent Communication, Conflict Resolution, Time management, Effective team player (Developed Through Working in Hospitality Industry for two years)
Other:	Competent in Adobe Photoshop, Adobe lightroom and Adobe Premiere.

PROJECTS (GitHub)

A Blog site using MERN stack:

Dynamic blog application using the MERN stack (MongoDB, Express.js, React, Node.js) featuring robust user authentication, secure login, upvoting, comments, and an intuitive interface for seamless user experience and secure data management.

A Mini Compiler:

Developed lexical and syntax analyzers for a compiler, including regular and context-free grammars, DFA for token recognition, and support for integers, real numbers, operators, and C/Java-like variable naming.

3D Maze using Three.js:

Developed a 3D maze in Three.js with overgrown vines, weathered stone textures, torches, and Gothic details, using a 2D array for layout and optimized lighting for an eerie, immersive experience.

WORK EXPERIENCE
